**The Quarry Golf Club**  
**Starting Time Policy & Procedures**  
**(Effective October 1, 2022)**

- The Club employs the ForeTees Tee Time reservation system to manage starting times for golf. Starting times may be reserved via the ForeTees Mobile APP, on the Quarry website at [www.QuarryGolfNaples.com](http://www.QuarryGolfNaples.com), by calling the Golf Shop Staff during normal hours of operation at (239) 304-0711, or in person in the Golf Shop after 7:00 a.m.
- All players, including private cart owners, must have a starting time reserved through the Golf Shop Staff.
- Starting times are available at 8-minute intervals beginning at 7:30 a.m. with the following exceptions:
  - Club-sponsored event days (i.e. Member event shotguns)
  - Thursdays where starting times will begin at 8:34 a.m. to allow for necessary golf course cultural practices (identified on the Member Club Calendar)
- The ForeTees system will open future tee sheets to Member viewing twenty-one (21) days in advance.
- Starting times may be reserved fourteen (14) days in advance for Full Equity Members, ten (10) days in advance for Associate Members (Annual Golf and Club) and five (5) days in advance for Equity Waiting List Members beginning at 6:30 a.m.
- The first day the booking window opens, starting time reservations must only be booked online to prevent conflict in the golf shop. After the 24-hour period Members can book tee times with the Golf Shop Staff.
- The ForeTees Tee Time system has a feature called the “Next Available Option” which searches for another available tee time when the one selected is booked. This feature is enabled to search for one hour after the tee time selected if the tee time selected is being booked by another Member. If no tee times are available then a message will pop-up saying no tee times are available.
- Each Primary Member and his/her spouse are permitted to book one starting reservation per day (maximum of 2 tee times per membership).
- Members may not use “Ghost Names” (member or guest names) to reserve tee times, knowing that these players will not be playing. For example, members who routinely use guest names with the intention of cancelling last minute will be addressed accordingly. To assist in discouraging the use of “Ghost Names” when booking (using fake guest names, out-of-town Members, a spouse who doesn’t golf, etc.), the Club has implemented a progressive discipline policy as follows:
  - 1<sup>st</sup> Offense – Letter from the GM/HGP
  - 2<sup>nd</sup> Offense – Letter from the Board
  - 3<sup>rd</sup> Offense – One week suspension
  - 4<sup>th</sup> Offense – 30-day suspension and meeting with the Board
- To maximize the use of the golf course for the benefit of all Members, the Club reserves the right to pair singles, twosomes and threesomes with other golfers, especially during in-season months. The Golf Staff will contact all Members whose tee times change more than 30 minutes or are changed inside 24 hours in advance. The Golf Shop Staff will have sole discretion in pairing

Members together.

- Men's Day (Wednesday's) & Ladies Day (Tuesday's) will offer alternating 8:30am & 1:00pm shotgun events for Members desiring to participate in competitive golf events. The alternating schedule will be determined annually with input from the Club's Golf, Food & Beverage/Activities, and Calendar Subcommittees. Deadline to sign up for these League Days will be midnight Sunday for the Ladies' Day and midnight Monday for the Men's Day. Should these leagues not fill all the foursomes in the allocated shotgun space, a Member Open Play Shotgun will be made available to the Membership the morning after the deadline for each league. Those who cancel after the league play deadline will be charged the event fee.
- In 2022, every Full Equity Membership will be allowed one (1) Priority Tee Time annually, which may be reserved up to 3 weeks in advance. Effective January 1, 2023 all Full Equity Memberships will be allowed two (2) Priority Tee Times annually.
  - Requests may be made after 6:30am up to 3 weeks in advance.
  - All requests must be emailed to the Head Golf Professional at [PDoyle@QGLNaples.com](mailto:PDoyle@QGLNaples.com).
  - The Head Golf Professional will track these requests and will reserve them on the tee sheet.
  - Priority Tee Times must include a minimum of 1 Guest.
  - All Guests must be accompanied by the Member.
  - Certain dates will be excluded from advance booking per Club Management.
- All golfers must check in with the Starter or with the Golf Shop Staff in absence of a Starter prior to beginning play. Members and their guests must check in at least ten (10) minutes prior to their starting times. Failure to check in and register at least ten (10) minutes prior to a reserved starting time may result in re-assignment, cancellation of the starting time and/or a no-show fee being charged to the Member's or designee's club account.
- Players late for a starting time may lose their right to their starting time and shall begin play only at the discretion of the Starter. The Starter will make every effort to accommodate the late players, but not at the detriment of other Members.
- Each starting time (or foursome) is limited to two (2) golf carts per foursome, regardless of cart ownership. Members with private carts may be required to share their carts with other golfers designated by the Club.
- Pace of Play: In an effort to improve Member satisfaction and enjoyment, the Club will be monitoring the pace of all 9 and 18-hole rounds of golf played. The Club's golf course Player Assistants are instructed to make sure all groups are adhering to a 3-hour and 58-minute pace of play for 18holes. In addition, the first players to tee off in the morning are restricted from playing faster than 1-hour and 30-minutes for 9 holes and 3-hours for 18 holes in order to give the Maintenance Staff time to prepare the golf course. Member foursomes delaying play and finishing their rounds in over 4 hours and 5 minutes will receive a written warning from the Head Golf Professional and/or General Manager.
- Please notify the Golf Shop Staff of any changes to a starting time at least twenty-four (24) hours in advance of the reservation.
  
- As per the Club's Rules and Regulations, Members with reserved starting times should notify the Golf Shop Staff of any cancellation as soon as possible. Members and/or their guests who do not cancel their starting time(s) 24-hours prior will be charged a no-show fee equal to the Member cart fee per player. Members wishing to cancel their reservation within 24-hours must contact

the Golf Shop Staff and will be subject to a no-show fee. ForeTees will prohibit any Member from cancelling a reservation within 24 hours. Members are responsible for any time their names are used to reserve tee times by other Members.

- Guest Play: The Club may limit the number of times any other guest may use the Club Facilities, in its sole discretion.
  - An individual may not use the golf facilities as a guest more than ten (10) times during any membership year and no more than four (4) times in any month, excluding the participation in Club tournaments and other Club- sponsored events (unless otherwise permitted by the Club).
  - Equity Members may only bring a maximum of ten (10) guests per month January through March. Extended Family Guests will not be counted as part of this restriction.
  - Extended Family Guests must be accompanied by a Member and will be treated as guests and charged the Extended Family Rate. Extended Family Guests may play ten (10) times at the Extended Family rate. All rounds over ten (10) will be at the regular guest rate.
  - Starting time reservations for Member-sponsored, unaccompanied guest play will be allowed on a space available basis at the sole discretion of the Professional Golf Staff. Unaccompanied guests will not be permitted January through March. Members with unaccompanied guest requests should contact the Head Golf Professional.
- The Club reserves the right to restrict guest play to specific days and/or starting times in an effort to maximize the enjoyment of the golf course for its Members.
- The Golf Committee will periodically review the Club's Starting Time Policy & Procedures in an effort to maximize the enjoyment of the golf course and to ensure the process for securing tee times is equitable for all Members.
- Any Member who is discovered using a computer program (BOT) to make reservations or manipulate the ForeTees software will be severely disciplined by the Club.

## 2022-2023 Food & Beverage Minimum Guidelines July 1, 2022 through June 30, 2023

### Purchases which **are eligible** to be applied against the food and beverage minimum:

- For tracking purposes, only purchases paid via Member account may be applied against the food and beverage minimum.
- All food and beverages purchased and served on Club property (i.e. dining room, grille room, locker room, etc.).
- All individual food and beverage orders purchased "to go".
- All food and beverages purchased 'on-course' from the Halfway House and the Beverage Cart.
- All food and beverages purchased for a Member-sponsored and Member-paid banquet event at the Club. These events must be approved by the Food and Beverage Director and/or General Manager (i.e. a wedding, private dinner, luncheon, etc.). Again, only purchases paid via Member account may be applied against the food and beverage minimum.

### Purchases which **are not eligible** to be applied against the food and beverage minimum:

- All non-food and non-beverage purchases.
- Service charges for labor, valet services, entertainment, banquet/equipment rental fees, linens, floral arrangements, decorations, etc.
- All gratuities and taxes.
- Bulk purchases of food and/or beverages product (i.e. a case of steaks, wine, etc.).

### Guidelines for Member Events:

- Oftentimes, Member Social and Dining Events at the Club are 'bundled' into a per person price, which may include food, beverage, and/or a variety of service charges listed above. Only the food and beverage portion of a Member Event will be applied toward the food and beverage minimum.
- The Club's promotional materials (i.e. event fliers and email blasts) will identify the amount that is eligible to be applied against the food and beverage minimum for a Member Social, Dining or Golf Events.
- Certain "at cost" Club events 'bundled' with food and/or beverages included in the event fee are not eligible to be applied against the food and beverage minimum (i.e. Men's Crane Invitational). The Club note which bundled events may not be applied against the food and beverage minimum on the promotional materials.

### Other Important Information:

- All food and beverage purchases will be applied against the food and beverage minimum at the net price paid, not the gross price when a discount is provided (i.e. alcoholic beverages purchased during Happy Hour will be accounted for at the discounted price).

- A properly charged Member food and beverage ticket will have the 'F&B Minimum Balance' at the bottom of the ticket. If this does not appear on your Member ticket, kindly notify your Server or the Food and Beverage Manager on duty.
- A Member's food and beverage minimum balance will appear at the bottom of his/her monthly club account statement.

Annual Food & Beverage Minimums by Membership Type:

Equity Members who pay the annual family or single dues are entitled to the benefit of *Extended Family Guest* privileges, which include accompanied access to the Club and preferred golf guest fees. Any one *Extended Family Guest* may play a maximum of ten (10) times per calendar year at the preferred guest fees. Any subsequent rounds will be charged at the regular Member guest fee.

## The Quarry Golf Club

### **SeaDwarf Paspalum: Tournament Conditions Every Day**

The golf course at The Quarry Golf Club was designed utilizing a special variety of turfgrass called SeaDwarf Seashore Paspalum. Its rich green color provides the appearance of a bluegrass or ryegrass, which may be highlighted quite nicely with specific mowing patterns. Paspalum is not only aesthetically pleasing to the eye, but also provides an excellent year-round playing surface. Its upright nature allows for the ball to sit up in the fairway, almost as if on a tee, making for easier mid-iron and fairway wood shots. The grass also delivers a tight knit and virtually no grain, making for healthy greens that are as fast or faster than ultradwarf Bermudagrass greens.

Since it may be mowed from below 1/8 inch to over four inches, Paspalum has been utilized here at The Quarry from tee-to-green. By using just one variety of turfgrass on the entire golf course, any of these areas may be reshaped by mowing a different height and have no contamination issues from other turfgrasses, since the Paspalum is all the same cultivar.

More than that, the SeaDwarf Seashore Paspalum, is a highly environmentally friendly turfgrass. Paspalum requires less nitrogen fertilizer than Bermudagrass and is more drought tolerant, maintaining its color longer during unusual dry periods and utilizing less water. Paspalum can also utilize a wide variety of water sources, such as: potable, brackish, effluent and even saltwater. You may feel great not only about playing a better game of golf, but by also helping the environment as a Member at The Quarry.

Additionally, Paspalum is also more cold tolerant than Bermudagrass, which has afforded The Quarry the opportunity to maintain quality playing conditions and good color without overseeding in the winter. The SeaDwarf Paspalum holds its green color during the cold winter months, unlike other turfgrasses in the area, which eliminates the need to overseed with ryegrass during these months. No overseeding means quality playing conditions at times during the fall and spring when many Bermudagrass golf courses are transitioning to and from the overseeded grass.

### **The Course**

The Quarry golf course was designed by the world renowned architectural team of Hurzdan-Fry. The six tee boxes provide a challenging yet playable option for golfers of all ages and skill level. The layout of the course is unsurpassed in the area due to the many lakes and natural beauty found on each hole. The course wraps around the entire community with no fairways running parallel to each other. The natural beauty of South Florida is evident everywhere with the property's expansive lake system, incredible nature preserves and abundant wildlife.

### **Dining**

The Golf Club's Food and Beverage Team is dedicated to one simple statement of purpose: to meet and exceed the culinary expectations of our Members and their guests each and every dining experience. To attain that goal, you can count on fresh, high quality, homemade dishes for every occasion. Be it a meal at the Club or a private catered event in your own home, the Culinary Team strives to offer a wide variety of dishes with frequent menu changes to keep your dining experience interesting and fulfilling. Special events with gourmet menus and wine pairings add to the variety. To improve your own culinary skill, enroll in our Chef's cooking classes and learn the secrets that make The Golf Club a great dining choice.

### **Social**

Whether you enjoy a large party atmosphere with entertainment and dancing or an intimate dinner with friends or family, our private clubhouse offers something for everyone. Unwind on our wrap around terrace overlooking the 18<sup>th</sup> green and fairway with a sumptuous drink during daily Happy Hours. Delight in our weekly themed events which provide both casual and fine dining coupled with extraordinary entertainment. Cheer on your favorite teams with friends during NFL Sundays, while appreciating great food and beverages at member-friendly pricing. Play a competitive game of cards or Mah Jong in our private card rooms. Our social calendar is packed with events and activities to suit even the most discriminating Member.
